

OUR MISSION

Empowering individuals with disability

At Be One Care disability services, we believe that every individual can live their lives the way they want with the right support and quality care. We are dedicated to providing this care to the NDIS participants. Our goal is to enrich the lives of our participants every day.

ABOUT US

Our Approach is driven by compassion, respect and empathy. We believe that by fostering a supportive and inclusive environment, we can help individuals achieve their goals and lead fulfilling lives. Our team consists of highly trained and experienced professionals who have been in the industry for over 15 years. We advocate for the rights and well being of our participants.

Our Services

PERSONAL WELLBEING ACTIVITIES

We support personal wellbeing activities like exercise, mental health, and self-care, helping participants maintain a balanced lifestyle.

COMMUNITY PARTICIPATION

We connect participants to community activities, enhancing social and skill-building opportunities.

SUPPORT COORDINATION

We help you connect with services, manage supports, achieve your goals, and navigate the NDIS, including plan reviews and resolving issues.

Assist with Household Tasks

We help with household tasks like cleaning, cooking, and shopping, supporting participants to live independently.
